Become an active volunteer

Enjoy the satisfaction of working with both caregivers and patients at Peace Island Medical Center.

Volunteers who take lunch orders, work on surgery days, or participate in decorating the facility for holidays are required to participate in a 3 hour orientation session and undergo a background check. Volunteers are NOT required to be PIV members, pay dues, or give a donation—there is NO financial obligation to being a volunteer.

If you'd like to become an active volunteer, or if you just want more information, please email us at peaceislandvolunteers@rockisland.com.

Become a 2019 member

Peace Island Volunteers provides needed support to Peace Island Medical Center, but is a separate organization, with its own 501 (c)3 designation. PIV keeps its operating expenses to an absolute minimum, using the majority of its funds to support its many projects.

As a member, you have a choice as to whether you want to contribute time or not. Many PIV members are not able to contribute hours of service at all, but their dues are an important way of supporting the volunteer program.

Your dues are essential in allowing PIV to continue giving help where help is needed. Remember, we welcome men as well as women! Please join for 2019 by using the enclosed card and envelope. Thank you!
